"A FORM of PRAYER with THANKSGIVING to be used yearly upon the Fifth Day of November; for the happy deliverance of King James I and the three estates of England, from the most traitorous and bloody intended Massacre by Gunpowder; And also for the happy Arrival of His Majesty King WILLIAM on this Day, for the Deliverance of our Church and Nation." This rubrick introduced a service which appeared in the BCP until the mid 19th Century. Also included were services for the death of King Charles the Martyr, the restoration of Charles II, and for the accession of the reigning monarch. Ps 124 is the Proper Psalm for 5th November. This version of the anthem appears in the 8th (1770) and final edition of Knapp's *A Sett of New Psalm Tunes*.
