2. Unnumbered comforts on my soul,
Thy tender care bestowed,
Before my infant heart conceived,
From whence those comforts flowed.

3. Thy care, O God, my life sustained,
And all my wants redressed,
When in the silent womb I lay,
And hung upon the breast.

* "Psalm 15" is the original heading, but there is no similarity between this psalm and Addison's text. In *Fifty Select Tunes* published in 1796 by J. Charlesworth, a simplified three part version of this tune appears with text from Psalm 15 New Version. It seems that John Page in publishing what is probably Henley's original version of the music in *Divine Harmony* (1798) retained the title but altered the text.
