lu - jah, Hal - le - lu - jah, Hal - le - lu - - - - jah. jah

Kbd.

1.2. 3.

Edited from *The Psalmist's New Companion*, 10th edition (1765), compiled by Abraham Adams. The style is typical of many West Gallery anthems, especially with regard to the extended passages for an unsupported single part; the repeated brief choruses; the florid hallelujahs added at the end; and the scant respect for classical canons of four part harmony.
