Notes and emendations: Edited from Williams's *Royal Harmony; or the Beauties of Church Music* (London ?1765 BL E.1492).

Bar 7 bass: Original q h; presumably a misprint.

Bar 26: There is no indication from where the repeat is to be made. It has been assigned to the beginning, but it could be from the double barline in bar 12.

Bar 27: Marked "Chorus from Richardson's service".

Bars 34-35: The alto notes are unclearly printed, and the tenor inverts the harmony by descending below the bass. The alto here is editorial, and the small bass notes may be rendered instrumentally.

Bar 40 tenor note 2: a; presumably a misprint.
