2. In long complaints he spends his breath,
While hosts of hell, and pow'rs of death,
And all the sons of malice, join
To execute their cursed design.

3. Yet, gracious God, thy pow'r and love
Has made the curse a blessing prove;
Those dreadful sufferings of thy Son
Atoned for sins which we had done.

4. The pangs of our expiring Lord
The honours of thy law restored;
His sorrows made thy justice known,
And paid for follies not his own.

5. O for his sake our guilt forgive,
And let the mourning sinner live;
The Lord will hear us in his name,
Nor shall our hope be turned to shame.
