S
 In thy most ho - ly, most ho -
And tongue speaks, And tongue speaks no
 Which might im - pair, might im - pair
Nor that which, Nor that which is

A
 In thy most ho - ly hill? In thy most ho -
And tongue speaks no de - ceit, And tongue speaks no
 Which might im - pair the same, Which might im - pair
Nor that which is to come, Nor that which is

T
 In thy most ho - ly hill?
And tongue speaks no de - ceit,
 Which might im - pair the same,
Nor that which is to come,

B
 In thy most ho -
And tongue speaks no
 Which might im - pair
Nor that which is
