Alan Franks
Edited by Francis Roads

Soprano

1. When Christ our Sa - viour suf - fered on the cross In fa - tal bonds of pain
2. *No more his won - der close con - cealed Where none may en - ter in*
3. Glo - ry to God for e - ver - more, To Man good - will and peace

Alto

Tenor [Air]

1. When Christ our Sa - viour suf - fered on the cross In fa - tal bonds of pain
2. *No more his won - der close con - cealed Where none may en - ter in*
3. Glo - ry to God for e - ver - more, To Man good - will and peace

Bass

4

S

We lit - tle knew such grie - vious loss would turn to rich - est gain,
For Christ has by His blood re - pealed The bur - den of our sins
As we ex - alt from earth - ly shores The Christ, our ri - sen priest.

A

T

We lit - tle knew such grie - vious loss would turn to rich - est gain,
For Christ has by His blood re - pealed The bur - den of our sins
As we ex - alt from earth - ly shores The Christ, our ri - sen priest.

B

8

S

Yet saw, as through that dark - est day, His earth - ly life lay spent,
This bles - sed myst' - ry un - con - fined All round the wide world went
Di - vi - sion and dis - u - ni - ty Shall fal - ter and re - pent

12

S
The old world fall and pass a - way For the veil of the Lord was rent.
In plain - est view of all - man - kind for the veil of the Lord was rent.
And joy will spring e - ter - nal - ly for the veil of the Lord was rent.

A

T
The old world fall and pass a - way For the veil of the Lord was rent.
In plain - est view of all - man - kind for the veil of the Lord was rent.
And joy will spring e - ter - nal - ly for the veil of the Lord was rent.

B

16

S
For the veil of the Lord was rent, for the veil of the Lord was rent.

A

T
Chorus:
For the veil of the Lord was rent, for the veil of the Lord was rent.

B

20

S
The old world fell and passed a - way for the veil of the Lord was rent.
(Verse 3) *And joy will spring e - ter - nal - ly*

A

T
The old world fell and passed a - way for the veil of the Lord was rent.
(Verse 3) *And joy will spring e - ter - nal - ly*
